Big Adventures and Endless Possibilities Ahead

Now there are even more ways for you to explore what excites you most. Girl Scouts' expanded program themes bring activities and experiences together under your favorite topics, making it easier to discover everything we have to offer.

Animals and Nature

Wild wonders are waiting! From animals to ecosystems, Girl Scouts follow their curiosity to explore the natural world and discover how they can make a difference.

Outdoor Adventure

Get outdoors—and get inspired! Girl Scouts build courage, curiosity, and independence as they hike, camp, explore, and grow their connection to the natural world.

Art and Imagination

Creativity comes to life! Whether they're designing, storytelling, making, or performing, Girl Scouts build confidence in their vision and explore how to create with purpose.

Sports and Recreation

Girl Scouts who play together, grow together! Through sports and recreation, Girl Scouts challenge their limits, grow as thinkers and teammates, and have a blast doing it.

Balanced Living

Live well, lead well! Girl Scouts explore habits and tools that support lifelong well-being so they can feel strong, capable, and ready for anything.

Technology and Innovation

Big ideas change the world! Girl Scouts follow their curiosity to code, design, and build while developing the confidence to think boldly and drive real change.

Leadership and Your Future

The future starts now! Girl Scouts explore who they are and what matters to them while gaining the tools and confidence to navigate life with purpose.

Your World Near and Far

Discover a world of possibility! Girl Scouts explore people, places, cultures, and ideas near and far, building the confidence to connect in bold, curious, and meaningful ways.
