GSUSA Successful Leader Learning Series

Through this course, troop leaders will receive an introduction to Girl Scouts and gain insight into how Successful Girl Scout Leaders:

-Incorporate the 'Girl Scout Way' into thoughts and actions.

-Know and apply GSLE when working with their troop to develop G.I.R.L.s.

-Create a safe, inclusive, girl-led space which embraces troop diversity.

-Understand and execute council specific guidelines around troop operations.

-Begin guiding their troop into outdoor activities.

3. Click 'Add a New External Learning Record'
4. Complete the pop-up screen
5. Click save!

gsLearn Instructions for Volunteers

9. In the green rectangles below, you will see the names of courses that are currently available on gsLearn. At the moment, these are not required trainings, but rather resources for you as a volunteer. As required courses get added to gsLearn, you will receive an email when it is assigned to you to complete.

The Successful Leader Learning Series

Councils have the option to use all modules listed below in one course, or, choose just the single course that is the best fit for Learners.

Foundation 1 **The Girl Scout Way**	• Introduction to the world of Girl Scouts!
Foundation 2 **The Girl Scout Leadership Experience**	• Explains why the Girl Scout program is effective and powerful to build girls of confidence, courage and character; VTK for Troop Leader support
Foundation 3 **Well-Being and Development of Girls**	• Discover strategies to create an inclusive, girl-led space, embracing troop diversity and understanding how the role of the troop leader
Foundation 4 **Understanding Troop Operations**	• Focus on troop management and operational guidelines around running a troop; council and service unit support
Outdoor **Getting Your Troop Outdoors**	• Understand how outdoor experiences are integral to the overall Girl Scout experience and to increase their confidence in getting girls outdoors

Service Unit Support

Councils have the option to use one, or more, of the courses below and share with volunteers, or create a custom Learning Path with these courses and custom council content.

Developing and Growing the Service Unit Team	• This course provides guidance on building a strong Service Unit team of dedicated volunteers who work together to support the success of your Service Unit.
Effective Meetings	• Service Unit meetings are a crucial part of communication with troop leaders. This course will support you in building meetings that accomplish your goals and keep your troop leaders informed.
Goal Setting and Planning	• Designed for Service Unit leadership and volunteers involved in planning the Service Unit's goals and objectives for the membership year, this course will provide a basic understanding of the planning process, including what you'll need, how to gather the right people, and how to develop goals that will support growth in your Service Unit.
Leading Effective Digital Meetings	• Service Unit meetings are crucial- even when you can't meet in person. This course will review the basic tools and best practices for making your digital meetings a success.
