Required Information

The following forms should be completed and are due at camp CHECK-IN.

Forms are not accepted by mail or at the office. Please do not print forms double sided. They must be turned in on the first day of camp. Look for them at the end of this packet:

- Code of Conduct Form
- Camper Pick-up Form
- Parent Questionnaire
- Camper Letter to Counselor (Optional)
- Waivers (if applicable, for Equestrian and Challenge Course)
- Health Record with vaccine record or exemption letter signed by a physician

Code of Conduct - Behavior agreement that campers and parents sign, agreeing to abide by all camp and council rules. Used as the first reminder if behavior problems arise.

Camper Pick-Up - Grants permission for your camper to be picked up from camp. Parents must list themselves on the form in addition to any other adult who may pick up the camper.

Parent Questionnaire - Enables staff to become familiar with campers and with parent expectations. Please provide us with information on your camper's mental, emotional, and physical needs. We want to make camp a positive experience, so we need to know what makes them unique.

Letter to the Counselor (Optional) – Many of our campers want a chance to share more about themselves and what they hope to do over the summer in their own words. The letter to the counselor is a chance for a Girl Scout to share their traits and characteristics about them.

Waivers - Challenge Course areas must have signed waivers on file in order to participate in activities. Challenge Course Form is to be completed by all campers at Camp Widjiwagan as these camps have a challenge course/rock wall available. Review the camp description to see if your camper will be participating in the challenge course. Not all campers will be taking part depending on age and skill and conservations during girl planning.

Health Record – *For day camp*, the Health Record is required, but does not need to be signed by a physician. Please keep a copy for your records as they are not available after the camp season ends. A copy of a vaccine record or a letter of exemption signed by a physician is also required. Please contact the camp director two weeks prior to camp if there are any special medical or dietary needs so we can make arrangements.

Medications – If a camper will be taking medication at camp, the medication portion of the Health Report must be completed. DO NOT pack any medications in your camper's luggage, including inhalers, epi-pens, prescriptions, or over-the-counter medication/vitamins. All medications are required to be turned over to the health supervisor upon arrival. All medications must be in original containers with instructions from a physician or pharmacy—times and dosage should be clearly stated, and medications must not be expired. If your camper has special medical needs, arrangements will be made to transport them to a doctor's office. Parents are responsible for these expenses.

Health & Safety

Health Information

Camp staff is First Aid and CPR-certified and trained to respond to minor scrapes, bumps and bruises. An on-call physician is available if needed. The local police and fire departments are notified at the start of the camp season and are prepared to respond within minutes.

Should a camper become ill or injured at camp, the staff will administer first aid and follow written procedures given by the camp physician. This may include a visit to a local doctor's office or emergency room after hours. If a camper requires a long rest period for recovery or they cannot remain at camp, they will be sent home. If a camper's illness or injury is severe, they will be given emergency care at the scene and be transported to the hospital emergency room. Parents/guardians will be notified, but in life-threatening situations, treatment may begin before notification, as indicated on the health consent form.

A qualified health professional will be accessible each day to oversee the health and wellness of all campers and staff.

COVID-19 Information

During the ever-evolving pandemic, summer camp is more beneficial than ever. The safety of our campers, staff, and volunteers is paramount. Based on guidance from the Centers for Disease Control (CDC), the American Camp Association, and our local and state health departments, we have a proactive plan in place to keep camp as safe as possible. We will continue to have as many activities outdoors as possible and will have increased handwashing and sanitizing procedures. As summer camp gets closer, we will review the CDC, American Camp Association, and local and state health department guidelines at that time and update our practices as necessary. We will share this information with caregivers before and during summer camp.

In the event that your campers begins exhibiting COVID-19 symptoms while at camp, you will be informed and you must come pick up your camper immediately. The camper may be able to return to camp with a negative test and approval from the camp nurse.

In the event that another camper becomes ill with COVID-19, you will be informed if your camper is a close contact.

If a session must be cancelled, your camper is sent home due to COVID-19, or your camper is unable to attend altogether due to COVID-19, refunds will be issued. Refunds may be pro-rated if camp is cancelled mid-week.

Health Check

All campers will receive a health screening by trained staff upon arrival at camp. This will include a check for contagious scalp and skin conditions and current body temperature. Any camper with a temperature over 100° F, who has evidence of nits or lice, or who is otherwise ill will be sent home by the camp director. Parents must remain at camp until their camper has been screened.

Activity Insurance

The camp fee includes insurance providing supplementary coverage to campers' personal insurance and includes sickness and accident coverage for any incidents that occur during their stay at camp.

Lice Procedures

Campers will be checked for head lice and nits during their health check at check-in. Please be aware that your camper may be asked to remove braids and other hair styles to ensure a thorough check. If a camper is found with evidence of lice or nits, they will be sent home until they no longer have evidence of them. If, after all precautions, a head lice outbreak occurs, parents/guardians of the campers who have head lice will be notified. It will be parents'/guardians' responsibility to pick up their campers from camp, launder all clothing and provide lice shampoo treatment for their camper. After a minimum of 24 hours, if there is no longer evidence of head lice or nits, the camper may return to camp. Camp fees are not refunded when a camper arrives with a pre-existing condition. We recommend you carefully check your camper in bright light before they head to camp in order to avoid any unpleasant surprises.

Homesickness

Being homesick is a completely natural experience and is experienced by all campers on some level. You can help your camper cope with homesickness by:

- Discussing it with them prior to camp. Encourage them to talk to their counselors about how they are feeling and what they are thinking about camp—both the good and the bad. Role-play at home so your camper will find it easier to talk about their feelings.

- Making your camper aware of what camp life is like: deep woods, sounds of nature, bugs, platform tents, latrines, outdoor cooking, making new friends, learning new skills, rainy days, sunny days, hot days, bugs and, most of all, fun times.

Please do not tell your camper that they can call you or you will pick them up if they become homesick. This is vital to their development and to learning coping skills. Tell them that you believe in them and know they can do it!

Insect Repellent and Sunblock

Our camps are in wooded settings with bugs and lots of sun. Campers are expected to be able to properly apply sunblock and insect repellent on their own with limited assistance from friends/counselors. Make sure the sunblock and insect repellent are not expired, as they lose their ability to be effective. Look for waterproof sunblock that has a high SPF and repellent that doesn't have a sweet smell, is non-aerosol, and has a lower level of DEET (under 30% is preferred; DEET is harmful to children if ingested). Pack natural-colored clothing (white and dark colors attract bugs). Prior to camp, wash clothing in unscented detergent. While at camp, girls should use unscented hair products and lotions. Teach your camper how to take extra precautions, such as wearing a rash guard when swimming, if they are very fair-skinned, or wearing a hat while hiking.

Weather Conditions

Camp activities may change due to the weather. If the weather is inclement, campers may not be able to participate in activities that are affected by rain, storms, and extreme heat, including but not limited to boating, swimming, challenge course, and archery. Activities and schedules will be modified as necessary. In the event of severe weather, a building at camp is reserved for the safety of campers. Staff members are able to communicate with each other and the camp office for weather updates and emergencies. When severe weather occurs, all campers are safely moved to the designated buildings for shelter and an all-camp activity takes place to occupy them, such as a dance, camp idol contest, etc. This helps to ease the campers concerns about the weather and keeps the focus on fun!

Visitors

For the safety of all campers and staff, visitors will not be allowed at camp. The camp director handles emergency calls. If your camper forgot something from home (e.g., backpack, water bottle, rain coat), please call the camp director – we have extras! If you would like to see camp before attending, contact the camp director or sign up for an event at camp.

Cancellations

If a session or event does not meet the minimum registration as of the deadline date, GSCI reserves the right to cancel. Notice will be made by email.

Deposits, extra fees, camper adventure care packages, and prepaid trading post account funds are non-refundable. A full refund, including deposit, is made only if a camper cannot be placed in a program or if it is necessary to cancel the program. No refunds will be made for campers arriving late, leaving early, attending only part of the program, for those who fail to attend, or for campers who violate camp policies and rules and are sent home.

Contact Customer Care at customer care@girlscouts-gsci.org or 1-888-623-1237 to obtain a Refund Request Form. After camp ends, partial refunds may be considered on a case-by-case basis and only in the case of extenuating family circumstances or medical reasons supported by a doctor's statement.

Life at Camp

Facilities

Flushable toilet facilities are located at our shower house and in several of the lodges. Primitive pit toilets are also used at some camps.

We encourage all campers to visit the facility before camp. This can be done at an event with your troop or by arrangement with the camp director.

Trading Post

Your camper will get the opportunity to purchase camp memorabilia (T-shirts, water bottles, stuffed animals, bandanas, etc.) at the Trading Post. If you would like to send money with your camper for shopping, we recommend an amount between \$15 and \$25. You may have already added trading post money during the registration process. If not, money will be collected for Trading Post at check-in and deposited in your camper's Trading Post account. Trading Post accepts cash, check, and Cookie Dough cards and Nutty Bucks. Unused money deposited at the beginning of the week will be returned to the parent/guardian at the end of the session. Unused money that was deposited during registration will NOT be refunded, or carried over to another week, and will be applied to our campership fund.

Meals

Lunch is served at Camp Widjiwagan. Morning and afternoon snacks are served at all camps. Camp Kiwanis and Quincy Community Day Campers must bring a sack lunch each day. Please do not send lunches or snacks containing peanuts due to allergy concerns, unless the camp director notifies you differently. Camp menus are reflective of typical school lunch menus and meet recommended dietary guidelines. Most camp meals are prepared by food service staff. Encourage your camper to try new foods if they are given the opportunity to do so at camp! Please note all dietary restrictions (diabetic, vegetarian, allergies, etc.) on the Health Information sheet and Letter to the Counselor. Please also contact the camp director at least 2 weeks prior to the start of the session so we can be ready at camp. For specific questions or concerns about menus, call the camp director. Campers with strict dietary restrictions are welcome to bring "alternative" meals and store them in the kitchen area (these must be turned in at check-in to ensure proper food handling and sanitation).

Telephones

Campers do not have access to a telephone and cannot be called directly. If there is an emergency, call the camp director. Parents will be notified by phone of any accident, illness, or other problems involving their camper. **DO NOT SEND CELL PHONES**—your camper will not be allowed to keep a phone with them.

Girl Planning

Campers work together to create their own experiences at camp by building their schedules of activities. Counselors facilitate this process as they keep in mind the program the girls have signed up for and guide them as needed. The campers also play an active role in creating rules for their group and creating a unit agreement. Encourage your camper to speak up about any activities they may want to experience while they are at camp.

Badge Work

Just as girl planning is a fundamental aspect of Girl Scouting, badge work is also a strong component of Girl Scout camp. Counselors work with campers to focus the girls' activities on badges and Journeys. Campers may choose to work on badges that are unrelated to their program area or stick to their program – it's up to them. At the end of the week, parents will be given a badge sheet outlining activities girls completed toward badges and Journeys that can be purchased at any GSCI Trefoil Boutique.

Kapers

Kapers are simple daily chores campers share while attending camp. Each staff member models and teaches campers proper ways to care for the environment and their camp surroundings. Each unit is responsible for the upkeep and cleaning of their area and for additional small daily camp responsibilities. Campers are closely monitored to make sure that established health and safety procedures are used in completing cleaning tasks. Living in a community setting reassures the whole community to take an active role in keeping the community running smoothly and safely.

Packing Tips

It is a good idea to have your camper practice packing their bookbag/backpack they will bring each day to camp at home. Your camper must be able to carry their own bag. All clothing and equipment must be labeled with the camper's name. When possible, use a permanent marker or label-maker. Weather can be unpredictable and range from a cool 50 degrees to a very hot 115 degrees. Please send clothes to cover all temperature ranges.

Camp Birthdays

If your camper will spend their birthday at camp and would like to bring treats, please make arrangements with the camp director prior to the first day of camp.

Swimming

Camper's at Camp Widjiwagan will have the option to swim. The first day, campers will be given a swimming test to assess their abilities. Only those that pass the swim test will be allowed in the deep end. Lifeguards and watchers will be monitoring whenever campers are swimming. Campers will be required to wear a colored swim cap that designates which areas of the pool they are allowed to swim in. Camp provides these swim caps.

Adventure Activities

Your camper may have the opportunity to go boating, shoot archery, or take on the challenge course at Camp Widjiwagan. These are great learning experiences for campers and will build self-esteem. These activities are supervised by trained facilitators. See your camp description for information if your camper will be participating in these activities. Waivers may be required.

Packing for Camp

What Not to Bring

The following items are not allowed at camp: Strapless tops, sandals; Crocs or open-toed shoes; hair dryers; curling irons; cell phones; tablets or similar electronic devices; headphones; radios; CD players; MP3 players; gaming systems; DVD players; iPods; expensive jewelry; weapons or weapon look-a-likes; alcohol; illegal substances; tobacco products; pets/animals; or personal sports equipment. Campers will be checked for these items. If found, items will be held by the camp director for safe keeping until the end of the camp session.

Do not pack your medication.

Girl Scouts of Central Illinois is not responsible for lost or stolen items. If your name is not on it – it may not be returned.

DAY CAMP What to bring

- ___ A change of clothes
- ___ Book bag—**A MUST** (camper is responsible for carrying book bag)
- ___ Warm jacket, sweater, or sweatshirt (if needed)
- ___ Filled water bottle
- ___ Raincoat or poncho
- ___ Bandana or hat
- ___ Comfortable one piece or tankini swimsuit appropriate for active play and towel
- ___ Insect repellent (non-aerosol)
- ___ Sunscreen
- ___ An extra set of socks, shorts, and underwear is not a bad idea for younger campers

DAY CAMP Dress for the weather every day

- ___ Shorts/Pants (depending on the weather)
- ___ T-shirt/Tank top
- ___ 1 pair of shoes—sneakers (No open-toed shoes or Crocs—shoes must be worn at all times)
- ___ Socks

Arrival/Departure

Check-in and check-out will be done in a drive-through style where you will not even need to get out of your car! Keep an eye on your email for detailed instructions from your camp director in your final confirmation. See below for an overview of the process.

Arrival

When you arrive all paperwork listed on page 1 must be turned in on the first day of camp. Once this is complete, you will be directed where to go to complete check-in, including a brief health check.

Departure

A staff member will greet you in your car and check your identification card. Anyone picking up a camper from camp, INCLUDING parents/guardians, must present a driver's license or other valid picture identification each day AND be listed on the Camper Pick-Up Form. For safety and risk management purposes, campers will not be released to anyone not listed on the pick-up form and cannot be released to anyone without photo identification. Once your identification has been checked, you will be instructed where to proceed to pick up your camper. On Friday, any leftover trading post money, the badge sheet, and any medications will also be returned.

Typical Camper Check-In Times

Day camp

7:30-9:00 a.m. Before care. You must be registered for before/after care.

8:50 – General arrival begins.

Typical Camper Check-Out Times

Day camp

4:00-4:15 – General pickup

4:00-5:30 p.m. check-out and after care

Post-Camp

Lost & Found

Girl Scouts of Central Illinois is not responsible for valuables or lost, stolen, or damaged personal items. Please mark everything with your camper's full name and check their bag before leaving camp on check-out day. All lost and found articles will be donated to a charitable organization or disposed of by the end of camp season. Please contact camp or your local service center to check for lost items.

Evaluating Camp

We appreciate and welcome your feedback so that we may provide the best experience for our campers. After your camper's session is over, you will receive an evaluation form. Please take the time to let us know how your camper liked camp. Have your camper help you answer some of the questions (campers will also complete evaluations at camp to let us know how they enjoyed their experiences).

Helpful Tips

Talking about Camp

Shortly before camp begins, remind your camper about the benefits of going away to camp—they will meet new friends and try new activities. Stay positive! Your attitude shows your camper how they should react. Don't stress how you are going to miss them—it may make them feel bad for wanting to go, and they may hold themselves back from having fun while at camp. When the big day arrives, say goodbye to your camper cheerfully—the fewer tears for everyone, the better. It will be difficult for you as parents, but if your camper sees you upset, it may cause them to be fearful of their new situation.

Making New Friends

Tell your camper not to be afraid to introduce themselves. Other campers are probably just as shy to start a conversation. Role play and practice at home! Remind your camper to keep an open mind, not to judge others, and to give others the same chance that they deserve. Tell your camper to stay involved, even if they are having a bad day, and to talk to their counselors about how they is feeling! Remind campers to have a friendly attitude. Smiles go miles! The more approachable you are, the more others will talk to you.

If Your Camper Needs Something

If your camper has an issue with a fellow camper or counselor, we want your camper to tell us! Please share with your camper the importance of speaking up if something is not right. They can always speak to any of our counselors or directors.

Camp-sickness

After camp, campers may come down with a case of camp-sickness. This is also entirely normal, as your camper will have friends and places that they must say goodbye to. Even though your camper may be sad to leave, know that they are still excited to see you and their family! Encourage them to trade addresses with their new friends before you check out and head home. Camp friends are often lifelong friends; help your camper keep in touch.

Packing Tips

Helping your camper pack is a fun activity! Have a special journal, book, or water bottle that is new and just for camp. Label everything so nothing is accidentally taken or lost; campers don't always recognize their things.

Above All...

Contact the camp director if you are worried about something or have questions. With an open dialogue, we'll be able to work together so your camper will thrive at camp.

Code of Conduct Form

(All campers must complete and turn in at check-in)

This Code of Conduct, combined with the Girl Scout Promise and Law, is our guide for behavior at all Girl Scout activities and camps (including trips). To be read and signed by **both** parent/guardian and girl participant.

- I understand that rules are made to protect me and others; to help make sure program activities and travel are safe, fun, and successful; and to create a welcoming camp community.
- I will treat other people, myself, property, and equipment with respect.
- I will follow the principles of the Girl Scout Promise and Law.

The Girl Scout Promise

On my honor, I will try;

To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

The Girl Scout Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and I do,

And to

respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.

I understand the following are unacceptable and will be grounds for dismissal from camp:

- Violence, bullying, name calling, and put-downs in person or using technology
- Cursing or verbally abusing anyone for any reason
- Intimidating, threatening use of verbal or non-verbal language that makes others feel that their safety is at risk
- Fighting, threatening, stealing, damaging property, or endangering the well-being of self or others
- Inappropriate clothing, jewelry, or swimwear
- Swimming, boating, archery, or challenge course after dark or without a facilitator present
- Entering the Health Center without a counselor
- Leaving the group without permission; leaving camp property without a counselor. The buddy system and adult supervision is required at all time at camp and on trips.
- Inappropriate conversations/topics or touches

I understand the following are not allowed at camp and will be taken by the counselor or director and will be grounds for dismissal from camp:

- | | |
|--|--|
| <ul style="list-style-type: none"> • Cell phones, tablets, or similar communication devices • Headphones, CD/MP3 players, radios • Weapons or look-a-like • Alcohol, cannabis, or illegal substances | <ul style="list-style-type: none"> • Tobacco/vaping products • Vehicles • Pets/animals • Personal sports equipment |
|--|--|
- Medication which is not turned in to the Health Center **(All medications must be turned in to the Health Center in the original container with the specific, unaltered directions of a licensed physician on the original prescription bottle. Do not send expired medication to camp.)**

Girl Scouts of Central Illinois reserves the right to send home any camper who exhibits unsuitable behavior.

Parents/guardians are responsible for picking up their camper in a reasonable timeframe as deemed necessary by the camp director. There is no refund in the event a girl is sent home. Person listed as emergency contact may be contacted if parent/guardian cannot be reached.

Assumption of Risk: Participation in the Challenge Course carries certain inherent risks regardless of the care taken to avoid injury. Risks may be affected by variable factors such as the weather, course condition, and conduct of participants. Injury risks range from: 1) minor injuries such as scratches, bruises, bumps, and sprains, to 2) major injuries such as broken or sprained joints, tendons, ligaments, legs, or arms, other limb injury or loss of use, and concussions, to 3) catastrophic injuries such as paralysis and death. The risks have been explained and the Undersigned fully understands the risks. In any event, the Undersigned accepts, assumes, and undertakes all risks after adequate and full inquiry and investigation by the Undersigned. The Undersigned agrees to use sound judgment in undertaking the Challenge Course and Climbing and Bouldering Wall and to follow instructions, whether oral or written. The Undersigned agrees that participation in the Challenge Course and Climbing and Bouldering Wall is voluntary. The Undersigned has read this paragraph carefully in its entirety and knows, understands, accepts, and voluntarily assumes all risks arising out of or relating to participation in the Challenge Course and Climbing and Bouldering Wall.

My camper has my permission to engage in all prescribed activities, including strenuous activities such as hiking, swimming, climbing hills, and horseback riding (if applicable), except as noted by me and the examining physician.

I give my permission for the camp staff to obtain in-camp or out-of-camp medical treatment for my camper should the need arise while they are at camp. In case of emergency, if none of the above can be contacted, I consent to treatment for my camper under the supervision of and as deemed advisable by a physician licensed under the Medicine Practice Act. If my camper is out of camp on a trip, I will not be contacted before medical treatment is given.

HEALTH INFORMATION PRIVACY STATEMENT

The **Girl/ Adult Health Record for Camp** is for health care concerns at Girl Scout day camp or resident camp sessions only. All records will be handled by staff/volunteers whose job includes processing or using this information for the benefit of the participant. All medical records will be held in limited access by the health service supervisor at the camp. Minimal necessary information may be shared with other staff/volunteers in order to provide adequate participant safety and health care. Girl Scouts of Central Illinois, will retain the health form until it is destroyed. All forms/records with noted treatment will be retained for seven years past the age of maturity of the participant. I have read the above procedures for handling the health form information and I agree to the release of any records necessary for treatment, referral, billing or insurance purposes.
