Camp Widjiwagan

Counselor in Training Application 2026

Dear prospective Counselor in Training,

We are looking forward to another fantastic summer at Camp Widjiwagan and are excited that you are interested in joining us to develop your leadership skills, have fun, and take on the responsibility of becoming a CIT. Many camp alums say that participation in the CIT program brought them life-long friends and gave them leadership skills they use now as adults. We hope you find the same meaning in your experience.

Being a Counselor in Training requires working closely with peers, campers, and staff who vary in age, race, culture, values, nationality, and backgrounds in order to make the camp experience a positive and memorable one for all campers. CITs serve as role models for younger campers and are leaders at camp. Being a Counselor in Training requires a serious and strong commitment to Girl Scout values and an appreciation for every member of the camp community. For this reason, we require an application for all CITs.

Any teen wishing to become a Counselor in Training at Camp Widjiwagan must submit the following:

- Completed application
- Camp activity lesson plan (A suggested outline attached at the end of application)
- Two letters of reference from **non-family** members
 - Teachers, troop leaders, and coaches are all great people to ask!

All application materials must be sent together and should be sent to either of the following address:

Girl Scouts of Central Illinois
c/o Abigail Smith
3020 Baker Dr.
Springfield, IL 62703

OR

Scan and send to asmith@girlscouts-gsci.org

Applications are accepted on a rolling basis. We encourage prospective CITs to complete their applications as soon as possible, as we have a limited number of spots. Once your application is approved, you will receive registration links via email.

We can't wait to see what this summer has in store! Thank you for your interest and we look forward to working with you.

Sincerely,

Abigail "Fidget" Smith, Program Coordinator and Camp Director
