A Message from the Board Chair and CEO

This past year has been one of meaningful progress, inspiring partnerships, and life-changing opportunities for the girls we serve across central Illinois. Thanks to the generosity and dedication of our volunteers, donors, and staff, our Girl Scouts continue to build courage, confidence, and character while discovering the power of their voices and leadership.

Throughout the year, strong **local partnerships** helped expand opportunities for our members. Collaborations with organizations such as the Soroptimists and the Boys & Girls Club strengthened our ability to provide safe spaces, mentorship, and programming that empowers girls to explore new skills, connect with role models, and grow as leaders in their communities.

We were also proud to provide unforgettable global experiences. Last summer a group of central Illinois Girl Scouts traveled to **Japan**, immersing themselves in a rich cultural exchange that broadened their perspectives and strengthened their understanding of the world around them. Experiences like these build independence, resilience, and global citizenship - hallmarks of the Girl Scout Leadership Experience.

Closer to home, we celebrated exciting developments in our infrastructure and community presence. The **relocation of our Champaign office** created a welcoming and modern space for girls, volunteers, and families to gather. The new location also features a **Build-A-Bear Workshop**, offering a fun and engaging environment where girls can celebrate milestones, create memories, and connect with the spirit of Girl Scouting.

This year also marked important momentum for our **"Investing in Our Future, One Girl at a Time"** initiative, which continues to expand access to Girl Scouting for more girls across our region. Through this effort, we are strengthening our ability to reach more girls, and ensure every girl has the chance to benefit from the leadership experiences that Girl Scouts provide.

None of this work would be possible without the generosity of our supporters. We are honored to spotlight **Chris and Debbie Smith**, whose commitment to Girl Scouts continues to inspire our community of donors and volunteers. We are also deeply grateful for the lasting legacy of **Kathleen Dallinger**, whose estate gift will support our camp programs and ensure that future generations of girls can experience the confidence, friendship, and adventure found in the outdoors.

As we reflect on the accomplishments of the past year, we are reminded that every badge earned, every challenge overcome, and every new opportunity begins with a community that believes in girls. Thank you for being part of this movement and for helping us invest in the next generation of leaders - one girl at a time.

With Girl Scout Pride,

Anne Warth
Board Chair
Girl Scouts of Central Illinois

Jennifer Sedbrook
Chief Executive Officer
Girl Scouts of Central Illinois

The best thing about my Girl Scout experience this year:

Getting the opportunity to tell younger girls what it's like to be an older girl in Girl Scouts and encouraging them to try new things.
– Ambassador Girl Scout, Adams County

Archery! I have been wanting to try it for a long time.
– Junior Girl Scout, Champaign County

Love the lasting friendships made because of Girl Scouts.
– Brownie Girl Scout, Montgomery County

Doing things I'd never be able to do without Girl Scouts.
– Cadette Girl Scout, Champaign County

Riding horseback at camp. The trail ride made me feel so in tune with the world around me and one with nature.
– Junior Girl Scout, Tazewell County

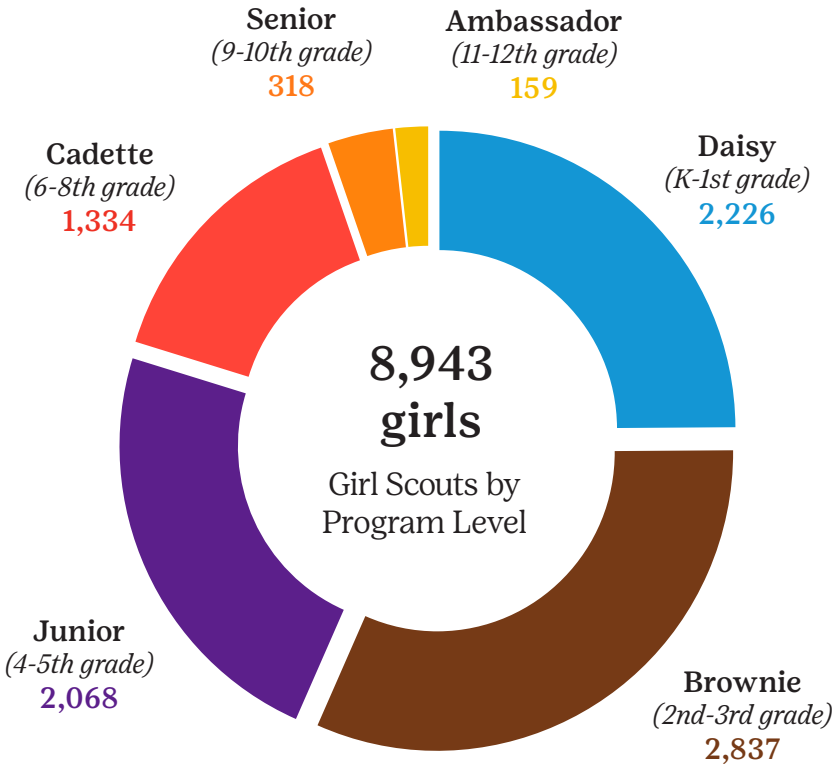

Getting to know and connect with girls my age outside of school.
– Daisy Girl Scout, Tazewell County

Girl Scouts has been great this year, teaching me skills like STEM, entrepreneur skills, about different cultures, about life at school and in the real world, and helped me with my friends.
– Cadette Girl Scout, Tazewell County

We are Girl Scouts

Girl Scouts create the world they want to live in and strive to make it better every single day. They explore their strengths, take on new challenges, and can always be themselves, regardless of background or ability.

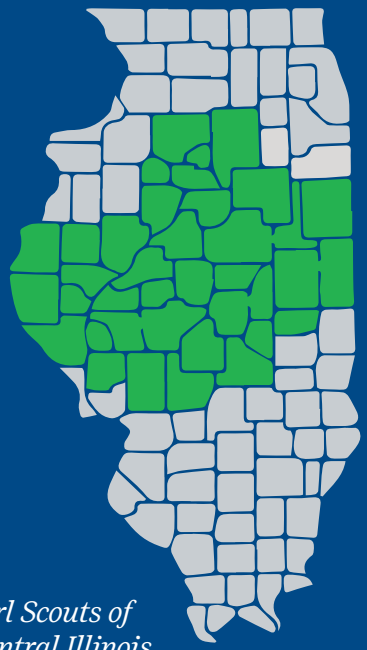

Supported by adult volunteers and mentors right here in our community, as well as millions of alums around the globe, Girl Scouts lead the way as they discover who they are and how they can make the future a brighter place.

Girl Scouts by Service Area

Ways to be a Girl Scout

Girl Scouts of Central Illinois inspires every girl to discover who she is and what she can do. She has big dreams, and within a supportive community, she'll find opportunities to explore, learn, make a difference and succeed on her own terms. Girl Scouts choose their own adventures and discover their interests alongside other Girl Scouts. And, Girl Scouts of Central Illinois provides a variety of accessible, inclusive pathways for girls to participate.

Volunteer-led

Led by a volunteer - usually a parent or caregiver of one of the members in the troop

Every Girl Deserves to be a Girl Scout

Girl Scouts of Central Illinois is committed to ensuring that every girl who wants to participate in Girl Scouting has the option to do, regardless of their family's financial situation.

In 2025, Girl Scouts of Central Illinois provided

$158,663

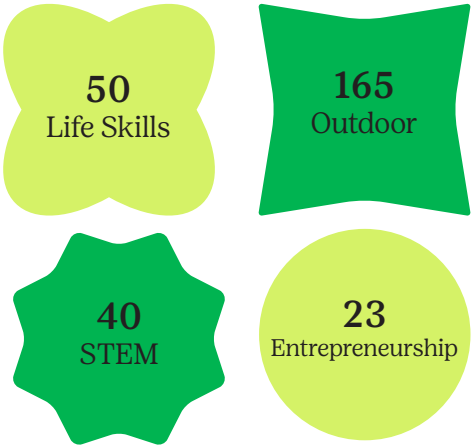

in financial assistance to members in need.

Girl Scout Programming

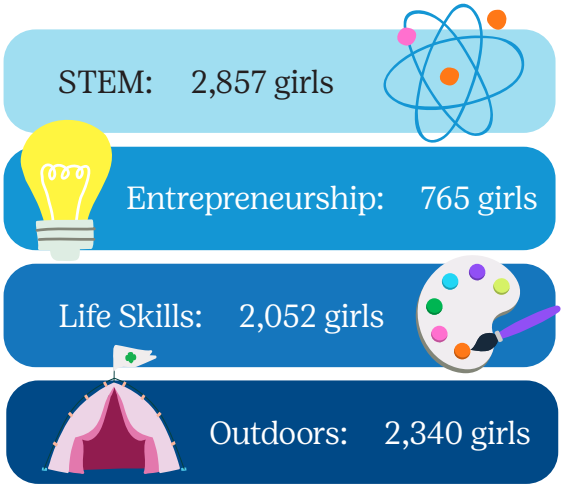

Girl Scouts look at our world and take action to change it for the better. They make friends, challenge themselves with new experiences, write their own stories, and develop the skills and confidence to say, "I know I can do this!"

So how do we do it? It's all part of the Girl Scout Leadership Experience, and it's what makes Girl Scouting a unique experience for girls.

Unique Programs Offered

Girl Scout Program Participation

Japan Trip: Land of the Rising Sun

Girl Scouts, chaperones, and staff traveled to Japan during summer 2025 as part of the council's travel program, which equips Girl Scouts to change the world by allowing them to experience it.

The 32 travelers spent nine days immersed in Japan's culture, surrounded by the people, language, food, and way of life. Many Girl Scouts funded their adventure through Girl Scout Cookie Program earnings.

"I got to witness my daughter earn her way for the trip. Hard work and dedication pays off. It was hard to watch her go off with other girls because I felt like she doesn't need mom anymore but then I remembered that this is what Girl Scouts is all about - make new friends, be strong and courageous, and lead the world."

- Girl Scout Parent

Building Campfires and Confidence

During the summer of 2025, 72 camp sessions were offered over the course of seven weeks. Girl Scouts were excited to spend time at camp with one another - swimming, riding horses, canoeing, sleeping in tents, and more.

Along with experiencing classic camp activities, girls are building outdoor skills and the confidence to challenge themselves to do more. And, it's time away from screens, belly laughing with bunkmates, sing-alongs around the campfire, and playing outside in the fresh air. Camp is a place to make lifelong memories and just be a kid in the outdoors!

Local Partnerships

Girl Scouts of Central Illinois' partners share our commitment to building the next generation of courageous and confident leaders! From STEM focused programming and goal-setting to eliminating barriers to participation, these partnerships demonstrate the powerful impact of mission-driven teamwork.

Buff City Soap

Quincy

Buff City Soap collaborates with Quincy area Girl Scouts each year, blending STEM education with creative joy. Through hands-on workshops, Girl Scouts dive into the "science of suds," learning the chemistry behind carbonation while hand-crafting their own signature bath bombs. This opportunity allows the next generation of innovators and entrepreneurs to let their creativity shine.

BOYS & GIRLS CLUB

Bloomington-Normal and Greater Peoria

In a strategic effort to increase accessibility, the Boys & Girls Club of Bloomington-Normal partnered with Girl Scouts to eliminate participation barriers for under-resourced families. Recognizing that transportation and rigid scheduling often pose challenges, Girl Scout programming was integrated directly into club sites, with staff stepping in as troop leaders. This model has proven highly effective - the Bloomington-Normal program grew from a handful of participants to 20 girls and expanded to the Greater Peoria club, where two new troops were established, currently serving 30 girls.

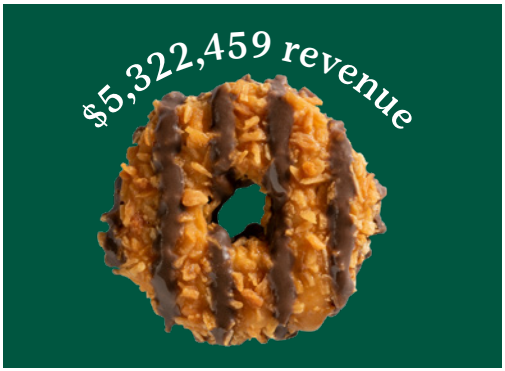

SOROPTIMIST®

Investing in Dreams

Bloomington-Normal

Girl Scouts and Soroptimist collaborated on period poverty awareness events, including a *UpLiftHer* feminine hygiene product drive to collect and distribute 30,000 personal hygiene products to girls in community schools. Beyond hygiene initiatives, Soroptimist bolstered the *Girl Scouting Beyond Bars* program by orchestrating a clothing drive. The partnership continued at *Girl Scout Day at the Capitol*, where Soroptimist members engaged with 200 Girl Scouts, mentoring them as they visualized their futures through "dream boards."

2025 Girl Scout Cookie Program

Powered by the Girl Scout Cookie Program

Troop 4481 turned their entrepreneurial success into an unforgettable expedition! Using funds earned from cookie season, these intrepid teens traveled to Wildman Adventure Resort, where they put their courage and confidence to the test. Their week was a masterclass in outdoor leadership and teamwork as they tackled whitewater rafting, ziplining & alpine climbing, and kayaking. This journey was more than just a trip; it was a celebration of the goals they set and the hard work they put in during the cookie season.

A New Home for Adventure: Expanding Our Reach in Champaign

> "This expansion highlights our commitment to Girl Scouting in central Illinois and will help us create even more opportunities for learning, connecting, and hands-on fun for our Girl Scouts and community."
> *- Kelly Day, President*
> *Girl Scouts of Central Illinois*

In June 2025, Girl Scouts of Central Illinois marked a significant milestone in our commitment to local girls: the relocation of the Champaign Service Center to a dynamic, expanded facility. This move represents more than just a new address; it is a strategic investment in creating a dedicated, girl-centered hub designed to foster leadership, creativity, and community for generations to come.

The new service center features versatile spaces specifically tailored for workshops, volunteer trainings, and troop meetings, alongside an enhanced Trefoil Boutique stocked with the latest uniforms, badges, and gear. This facility ensures that members have a modern, welcoming environment to collaborate and grow.

A One-of-a-Kind Experience: Build-A-Bear Workshop®
In an exciting first for our council, the new Champaign service center also welcomed an on-site Build-A-Bear Workshop®. This specialized workshop offers a unique hands-on experience where Girl Scouts and the general public alike can create their own furry friends. From a Girl Scout-themed "Heart Ceremony" to exclusive branded accessories, the workshop provides a magical setting for troop outings, milestone celebrations, and community engagement.

Investing in Our Future, One Girl at a Time

Girl Scouts of Central Illinois took a bold step forward in *Investing in Our Future, One Girl at a Time* - a strategic organizational initiative designed to grow membership and improve efficiency and effectiveness in serving our members. This initiative aims to provide more personalized and responsive services, connect more closely with our communities, and ensure that our members receive the highest level of support and engagement.

Realignment of Roles
To ensure every member receives the highest level of engagement, new Member Engagement Coordinator positions were created to allow for smaller service areas so staff could become more involved and build stronger relationships with the communities they serve. Additionally, the Office Coordinator positions aligned with the membership team as Member Support Specialists.

Process Improvements
Processes were streamlined to reduce redundancies and improve response times, allowing council to address member inquiries and concerns more efficiently.

Investment in Training
Council has invested in comprehensive staff training programs focused on customer service excellence and modern member relations, equipping staff with the tools to provide exceptional care at every touchpoint.

While this initiative is an investment in the future, the early results already speak for themselves. A focused approach on specific regions has led to significant growth:

35% increase
in Girl Scouts served in MY25 compared to MY24 in LaSalle-Peru area

21% increase
in Daisy Girl Scouts served in MY25 compared to MY24 in Peoria area

> I love love LOVE Girl Scouts.
> *– Daisy Girl Scout, Macoupin County*

> Girl Scouts has given me something to look forward to each week.
> *– Cadette Girl Scout, Tazewell County*

Honoring Visionary Leadership

Kelly Day, President of Girl Scouts of Central Illinois, was awarded the Ray Batman Nonprofit Professional of the Year Award from the Heart of Illinois Community Foundation. This award is given to an individual who demonstrates outstanding commitment, dedication and talent toward helping society - and that describes Kelly perfectly! Throughout her 30-year tenure at GSCI, Kelly has proven herself to be a visionary with a strong commitment to the ideals of Girl Scouting and building tomorrow's female leaders in Decatur and throughout central Illinois!

Recognizing Leadership, Service, and Impact

The Gold, Silver, and Bronze Awards are the highest honors Girl Scouts can earn. By leading their communities and working on issues they care about, our highest award recipients are making their world and futures brighter.

Sewing for Seniors

Erica Juskiv Awarded $5,000 GSUSA Gold Award Scholarship

While visiting nursing homes, Erica saw how difficult it was for senior citizens to carry items while using mobility aids. To assist in their everyday lives, she designed and enlisted various community groups to sew walker bags and cell phone pouches so the seniors could more easily transport needed items.

Erica developed lesson plans and taught her school's fashions class how to sew bags that can be hung on walkers or wheelchairs. The class, along with Erica's own efforts and a weekly sewing group, sewed more than 100 walker bags and cell phone pouches, along with 25 blankets, that were donated to area nursing homes. The lesson plans Erica created are being used for future fashions classes as a community service project.

> "I used to be afraid to take control of a situation and present things to people, but [through this project] I learned that I am able to complete difficult tasks. I now have the strength and courage to be able to go against my fears in order to get a task done."
> *- Erica Juskiv, Gold Award Girl Scout*

A Legacy of Leadership and Dedication

Longtime volunteer Marcia Albert Received Barbara Reif Award

Marcia Albert is a cornerstone of the Bloomington-Normal Girl Scout community, currently leading four troops totaling 62 girls. From her expert coordination of the cookie warehouse to her role as a master volunteer trainer and council travel co-lead, she consistently performs beyond expectations and ensures every troop is supported. With decades of service - even during years when she had no children in the program - Marcia's patience, leadership, and generous spirit make her an indispensable mentor and a true champion for girls across the council.

People Power

For over a quarter of a century, Chris and Debbie Smith have been cornerstones of support for Girl Scouts of Central Illinois. What began as a simple invitation to a fundraising event has blossomed into a 26-year commitment - driven by their belief that every girl deserves a space to grow and belong.

The Smiths' continued involvement is deeply rooted in the Girl Scouts' commitment to inclusivity. As parents of a transgender adult, they feel a personal connection to the organization's welcoming culture. "The fact that Girl Scouts embraces all girls, including those who identify as such, is a huge factor in our involvement," Debbie explains.

For the Smiths, philanthropy is about leveling the playing field. Their recent multi-year pledge focuses on two vital pillars: membership assistance and community outreach. These initiatives help break down barriers to Girl Scouting - such as financial constraints, transportation hurdles and lack of parental involvement.

Reflecting on their own stable, supportive upbringings, the Smiths feel a calling to provide assistance for those facing systemic inequities or growing up in single-parent households who struggle to make ends meet. They view Girl Scouts not just as a program, but as a critical support system.

> *"If these girls don't have family behind them, willing to clap and cheer when they do something wonderful and offering support for their dreams...Girl Scouts can do that."*
> *- Debbie Smith*

Additionally, the Smiths see the organization as a vital counter-measure to societal pressures regarding self-image and a resurgence of patriarchal attitudes. Debbie highlights that Girl Scouts provides a space where girls can escape the pervasive feeling that they aren't good enough, helping them reclaim their sense of self. Chris views Girl Scouts as "a vital avenue for young women to grow according to their own dreams."

When asked about the "return" on their investment, Chris and Debbie don't reach for spreadsheets. Instead, they look at local Girl Scout events where they see a diverse group of young leaders projecting confidence and poise - skills they believe are too often missing from traditional school curriculum. For them, success isn't a figure on a page; it's the sight of empowered women making positive contributions across all walks of life and reshaping the landscape of a still male-dominated world.

Through their enduring support, Chris and Debbie Smith are doing more than funding a program; they are ensuring the next generation of women has the advocacy, support, and opportunities to dream without limits.

Impact of a Legacy

This year, Girl Scouts of Central Illinois was honored to receive a transformative gift of nearly $124,000 from the estate of Kathleen Dallinger. Kathleen's vision was simple yet profound: to ensure that financial barriers never stand in the way of a girl experiencing the magic of summer camp. Thanks to her enduring legacy, nearly 250 Girl Scouts will now head to one of central Illinois' four camps, gaining the confidence and tools they need to lead the way into the future.

Ready to make a lasting difference? Follow in the footsteps of our founder, Juliette Gordon Low, by including Girl Scouts of Central Illinois in your will or estate plans. Joining the Juliette Gordon Low Society is a powerful way to ensure your legacy empowers girls forever. For more information, please contact Jennifer Sedbrook at 309-229-0328 or jsedbrook@girlscout-gsci.org.

"All girls should have the chance to be in Girl Scouts."

The Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

*Members may substitute for the word God in accordance with their own spiritual beliefs.

The Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong,
and responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place,
and be a sister to every Girl Scout.
