

Trip Approval and High Risk Activity Form

Travel and participating in high risk activities is an exciting part of the Girl Scout experience but, we have to ensure our members safety.

- Safety Activity Checkpoint (SAC) is a resource that provides safety standards and guidelines. Troop leadership is responsible for seeing that all activities are planned and carried out in a manner that considers the health, safety, and well-being of all participants according to SAC guidelines.
- A current Certificate of Insurance must be on file with GSCI for places of high-risk.
- Girl Scout insurance covers registered members for accidents during approved, supervised trips lasting two consecutive nights or less. Additional insurance is required if your trip is longer than two nights or if it involves any non-registered Girl Scouts or traveling outside of council jurisdiction. Girl Scouts members are any girl or adult who have completed the membership form and paid the membership fee.
- Submit the Add Driver for Troop Form with copy of driver's license and vehicle insurance for each driver transporting Girl Scouts to activities that require a trip approval form.
