Girl Scout Week 2026

girl scouts of central illinois

Let's celebrate 114 years of making the world a better place! From March 8th through 14th, join your Girl Scout sisters from all over the council in celebrating and honoring the Girl Scout Movement. Each day, choose from several fun activities to get into the Trefoil Spirit and celebrate everything that makes Girl Scouting amazing. Participate in at least 2 days to earn your Girl Scout Week Patch! This is a great project for Girl Scouts to work on at home and then share at a troop meeting or combine several days into one big Girl Scout Birthday Party for your troop! How you participate is up to you and may look different for everyone - and that's okay!

Spirit Sunday:
1. Do something kind for a sibling, parent, or grandparent.
2. Wear your uniform to a religious service. Some places of worship celebrate Girl Scout Sunday! You may want to check with your religious leaders before to see if being included in the service is an option.
3. Show you've got Girl Scout Spirit by making a Girl Scout Cheer- make sure it has words and motions.

Affirmation Monday:
1. Write a nice note to someone in your class.
2. Hide a sweet note in a family member's lunchbox, purse, or backpack.
3. Draw a self-portrait and fill it with positive adjectives that describe you.

Troop Tuesday:
1. Send a fellow Girl Scout a Cheer on Digital Cookie.
2. Have your grown up help you send a caring text message to a fellow troop member.
3. Thank your Troop Leader and other grown up Volunteers! Say thanks with a card, high five, craft, or another way.

Wear it Wednesday:
1. Wear your favorite Girl Scout Gear or your Girl Scout Uniform.
2. Think of someone who lives their life by the values of the Girl Scout Law. Dress like them today- if anyone asks why your style is different than normal, tell them about your person!
3. Each Girl Scout level has a color that represents them. Wear your color!

National Girl Scout Day/Girl Scout's Birthday:
1. Girl Scouts are all over the world! Pick a country (not the USA) and learn about what life is like for kids living there.
2. The Girl Scouting Movement was born in 1912. Learn about what life was like in the early 1900s at your local library or with adult help online.
3. Have a birthday celebration! Sing Happy Birthday, eat a tasty treat, and do something fun with friends or family.

Flash Forward Friday:
1. Have a grown up help you look online at badge requirements- what would you like to earn next?
2. Make a vision board for your future- show your dream job, dream house, and any fun things you want to do one day!
3. Wear your uniform to a religious service. Some places of worship celebrate Girl Scout Jummah and Girl Scout Sabbath/Shabbat! You may want to check with your religious leaders before to see if being included in the service is an option.
3. Girl Scouts turned 114 years old this year! Can you imagine what Girl Scouting might be like in the year 2140 (114 years from now)? Draw what you think life might be like for a Girl Scout like you! Here's some prompts to spark your creativity! What badges are earned? What do the uniforms look like? What kinds of activities do Girl Scouts do? What does Girl Scout Camp look like?

Service Saturday:
1. Clean up litter outside.
2. Help your grown ups with something- maybe cleaning your room or helping tighten screws on things around the house or even help with a simple repair project.
3. Grab your Girl Scout friends and volunteer with a local organization.
4. Wear your uniform to a religious service. Some places of worship celebrate Girl Scout Sabbath/Shabbat! You may want to check with your religious leaders before to see if being included in the service is an option.
