Registration Information

Registration

Summer camp registration opens Wednesday, February 7 at 8am at GetYourGirlPower.org. Many camps fill and close on opening day of registration, so don't wait!

Once registered, you will receive a confirmation e-mail receipt. The e-mail will contain a link to the confirmation packet, which includes all paperwork that needs to be turned in during camp check-in on the first day. You can also find the confirmation packet and required forms on our website under Summer Camps.

Registration closes two weeks prior to the start of session.

Deposit

A \$25 per session **non-refundable** and **non-transferable** deposit is required for registration. Full payment is required upon registration if session is \$100 or less. Cookie Dough/Nutty Bucks may not be used for deposit.

Payment

All camp fees must be paid in full two weeks prior to the camp session. Payment is not accepted at camp. Campers carrying an outstanding balance 2 weeks prior to session will lose their spot and deposit.

Cookie Dough and/or Nutty Bucks must be sent in prior to, or with, the final payment. Cookie Dough/Nutty Bucks cannot be submitted for a cash refund or used as the initial deposit.

Refund Policy

If a session or event does not meet the minimum registration as of the deadline date, GSCI reserves the right to cancel. Notice will be made by email.

Deposits, extra fees, camper adventure care packages, and prepaid trading post account funds are non-refundable. A full refund, including deposit, is made only if a camper cannot be placed in a program or if it is necessary to cancel the program. No refunds will be made for campers arriving late, leaving early, attending only part of the program, for those who fail to attend, or for campers who violate camp policies and rules and are sent home.

Contact Customer Care at customercare@girlscouts-gsci.org or 1-888-623-1237 to obtain a Refund Request Form. After camp ends, partial refunds may be considered on a case-by-case basis and only in the case of extenuating family circumstances or medical reasons supported by a doctor's statement.

Girl Scouts of Central Illinois aspires to be an organization that is anti-racist, inclusive of members' identities, and equitable, building accessibility to Girl Scouting for all.

Summer Camp Flexible Pricing

Girl Scouts of Central Illinois (GSCI) strives to ensure household finances are not a barrier when paying for a camp experience. Camp opportunities are subsidized by GSCI, meaning the cost to provide camp programming and operate camp is greater than the fee paid to participate. The flexible pricing system makes it possible for all campers to have the same experience regardless of what their caregiver can afford. Flexible prices are listed with each camp session description and should be selected based on the family's budget. Each session has three tiers of pricing.

Tier One (T1):

Close to the actual cost of camp. Helps cover staffing, program supplies, food and maintenance costs.

Tier Two (T2):

Partially subsidized cost for families that can pay a little more. Reflects 65-75% of the actual cost of camp.

Tier Three (T3):

Lowest cost of the program. Reflects approximately 50% of the actual cost of camp.

Additionally, GSCI offers camp scholarships (“camperships”). When registering for a camp session, it will ask you if you want to apply for a camp scholarship. Once you check “yes,” there will be a form to complete. The application is reviewed and you will be contacted as to acceptance and the amount of scholarship awarded. All information is confidential. Campers can only receive one camp scholarship per camp, per summer.

GSCI follows the income guidelines from the USDA for free or reduced lunches when awarding camp scholarships. If you meet the *free lunch* guidelines, the camper receives a full scholarship or the amount requested, minus the registration fee of \$25. If you meet the *reduced lunch* guidelines, the camper receives a 50% camp scholarship. If you do not meet these guidelines, your request is reviewed by staff and you will be notified of amount received.

If a camper has earned cookie dough or nutty bucks, it will be applied before a camp scholarship is awarded. If they have used their cookie dough or nutty bucks, the camp scholarship will be awarded minus the amount earned.

Note: Some camp sessions with specialized activities such as field trips, travel, or other extra experiences may have additional fees. These will be noted in the camp session description.

Day Camp Before & After Care

GSCI charges a fee for before and after care. The cost is the same regardless of flexible pricing or whether or not you are a current Girl Scout.

Before and After Care
7:30-9am and 4-5:30pm
\$25/week

Girl Scout Cookies Can Pay for Camp!

Girl Scout programming is powered by the Girl Scout Cookie Program. The Cookie Program helps to upkeep our camp properties and is a great way for Girl Scouts to help pay for their camp session! Cookie Dough earned through the Cookie Program can be applied as payment for any camp session or can be used in the Trading Post. (Please note, the \$25 camp session deposit must be paid in cash, but Cookie Dough can be applied for the remaining balance.)

- 400 boxes could pay for one person to attend Dads & Dudes Campout or Leader Daughter Camp
- 700 boxes could pay for one week of Quincy community day camp
- 1,100 boxes could pay for one week of day camp at Camp Kiwanis or Camp Widjiwagan or a mini-overnight camp at Camp Tapawingo IF you pick \$150 cookie dough at the 1,000 box level
- 1,800 boxes could pay for one week of overnight camp or equestrian overnight camp
- 2,000 boxes could pay for a two-week Counselor in Training overnight camp

Plus you still get all the patches and incentives!

Don't forget to bring any remaining Cookie Dough to camp to spend at the Trading Post!

Accommodations

Campers needing accommodations for food allergies or special medical needs should contact the camp director prior to registering. We try to accommodate all campers' needs.

Medical Records

All campers must submit a completed health history form signed by the parent/guardian and a complete vaccination record or official letter of exemption signed by a doctor. GSCI Camps follow the same requirements put forth by IDPH for public schools.

Overnight campers (3+ nights) must also have a physical completed within 24 months prior to the last day of the camp session. This may be the physician portion of the health history form or simply a copy of a recent physical.

Health Records will be collected at check-in and are kept confidential.

All medications must be turned in at check-in in their original packaging and instructions for administration must be included on the Health Record. Medications will be stored securely and administered by healthcare or trained administrative staff.

Friday Finale

Join us for the Friday Finale at camp each week. Meet your camper's new friends and see skits and songs from the week. Exact time varies from camp to camp. Sign up while registering for your weekly session. For Camp Tapawingo, guests will have the option to add an optional \$5/person lunch to enjoy with their camper.

Trading Post

Campers can learn about budgeting and bring home camp keepsakes or pick up forgotten camp gear (water bottles, bandanas, etc.) with a visit to our Camp Trading Post during their time at camp. To keep all camper possessions secure, any cash, checks, or cookie dough must be deposited into the campers trading post account during the registration or check-in process.

Campers typically spend \$15-\$25 on souvenirs. If trading post money is added online during registration, any unused money will go into our camper financial assistance fund.

Camp T-shirt

Pre-order the official 2024 summer camp t-shirt to wear while you're at camp and after as a memento of your awesome summer camp experience! Camp t-shirts are \$18 each and can be pre-ordered when you register for any camp session. Deadline to place a camp t-shirt pre-order is May 26.

**T-shirt color is subject to change based on vendor availability.*

Camp Adventure Care Package

Order a care package for your camper to receive while at camp! For \$35, the care package will include a special gift for your camper. Quantities are limited, so order early! Orders must be received at least two weeks prior to the camp session.

Staying at Camp

Badge Work

Activities coordinate with Girl Scout Journeys and badges. Badges are not included; earned badges may be purchased at your local service center. You will receive a badge sheet at the end of camp with the badge steps completed. Additional steps may have to be completed at home.

Buddy Requests

Overnight campers may request ONE buddy upon registration. Buddies will be placed in the same tent/cabin and will be buddies for as many activities as possible. However, they may not be buddies for all activities depending on group size, dynamics, and schedule. Day campers will be in age-level groups (no buddy requests).

Cell Phones/Electronics

Camp is intentionally technology-free to create an environment where campers can fully immerse themselves in the wonder of nature and build lasting connections with their fellow campers. This break from screens fosters social interaction, encourages physical activity, and allows campers to disconnect from the digital world and reconnect with the simplicity and richness of the great outdoors. Campers are not allowed to bring phones, tablets, smartwatches, headphones, or similar devices. We know it's tough. Releasing your camper into the wild (and our expert care) is new for some, but know your camper is safe and having a great time.

We welcome families to send mail, care packages, and one-way e-mail to their campers. Parents are encouraged to call and speak to the camp director about their camper at any time. In case of emergency or if warranted for any reason, parents/guardians/emergency contact person will be contacted.

Changes in Activities

Our camps are girl-led so the girls help plan activities. Activities may be modified or rescheduled depending on weather, group behavior, or available materials.

Counselor/Camper Ratio

Camper-counselor ratios will be met at all camps. Visit GetYourGirlPower.org for ratios. All counselors use a camp name while at camp.

Meals/Snacks

Day campers at Camp Kiwanis, Camp Widjiwagan and Quincy Community Day Camp must bring a sack lunch daily. Morning and afternoon snacks are provided. Overnight campers receive all meals and snacks.

We do our best to accommodate all allergies and dietary restrictions. We ask that you contact the camp director to discuss any food allergies or accommodations a minimum of two weeks before arrival at camp so we are sure to be prepared!

Facilities

Campers stay in rustic units that are tucked into the woods and typically consist of 6-10 open-air platform tents or 4 rustic cabins. Tents are situated on wooden decks on the ground and are approximately 12' x 14' with weather-treated canvas sides and roofs. Each tent contains four sleeping cots with mattresses and each cabin contains 10 sleeping cots with mattresses. One rustic unit house that sleeps up to 24 will be used for some summer sessions at Camp Tapawingo.

All of our facilities have a shower house. Security lighting is located throughout camp.

Activity Progression

Activities at GSCI Camps are designed to be progressive - new challenges and new activities become available as campers attend more camp sessions and gain more skills. This ensures campers are both staying safe and continuing to learn and try new things every year. It also keeps camp engaging and FUN! This means campers in the first grade may do substantially different activities from middle school campers. Read more about some of our favorite outdoor activities below. View the description for your session to see what activities campers will be doing during specific weeks.

Archery

Archery is a challenging and engaging activity available at all of our camps. While attempting to hit the bullseye, campers gain valuable practice in patience, concentration, and sportsmanship. Archery requires both strength and hand-eye coordination that is still developing in younger campers. For this reason, Daisy (K-1st grade) campers use alternatives such as sling shots or nerf-style archery sets.

Challenge Course

The challenge courses at Camp Tapawingo and Camp Widjiwagan are a great way to step outside your comfort zone and test your limits! The high ropes activities are designed for girls in middle and high school. The low or ground team building courses are designed for Juniors and above. These restrictions are for safety reasons. Not all teen camps will participate in these unless the activity is listed in the camp description.

Canoeing

Canoeing is an excellent way to explore the outdoors! All camps have canoeing available. Due to the strength and coordination required to maneuver a canoe, Daisies will be passengers when boating. All campers will learn the basics of how to be safe around boats and water and how to do basic canoe strokes. Older campers may progress to rescues, advanced strokes such as the J, Sweep, Pry, Draw, and more. Travel campers may go on longer canoe expeditions where they will learn how to safely paddle and portage.

Climbing Wall

The climbing walls at Camp Tapawingo and Camp Widjiwagan are designed for girls entering grades 2-3 and older. The equipment and design of the wall is made specifically for girls 4' or taller.

All campers participate in Girl-Led Planning on the first day of camp. Each group discusses what activities they want to do at camp. We encourage campers to come with ideas in mind and be creative! Maybe you want your group to write and perform a play? Maybe you want to create a camp-wide scavenger hunt? Maybe you want to have a costume party in the lodge? Maybe you want to make sure some camp classics are done as well - archery, tie-dye, friendship bracelets, stargazing or a night hike? Bring it up and your counselors will attempt to work it into your schedule. Girl-Led Planning helps campers take ownership of their experience while promoting collaboration and teamwork.

While we do our best to include all Girl-Led Planning ideas and requests, if you want assurance that you will do a particular activity while at camp, be sure it is in your session description.

Girl-Led Planning

Our Camps

Camp Kiwanis

301 Sugar Lane, Mahomet

Camp Kiwanis is a 55-acre forested camp facility adjacent to Lake of the Woods Forest Preserve and the American Heritage Museum.

Located 12 miles from Champaign, it features three lodges. Environmental education, creative arts, canoeing, and archery are highlights of the programs offered here.

Camp Widjiwagan

71 Wienold Lane, Springfield

Camp Widjiwagan, a 67-acre camp facility on Lake Springfield, is located six miles south of Springfield.

The facility features an adventure course with a 40-foot climbing tower and zip line, three main lodges, an in-ground swimming pool, lake access for boating, platform tents, covered wagons, and an arts and crafts shack.

Programming highlights include swimming, canoeing, creative arts, outdoor living skills, archery, and environmental education.

Camp Tapawingo

1450 Hickory Point Road, Metamora

Camp Tapawingo is a 640-acre camp facility located 15 miles from Peoria. The cornerstone of this property is its Equestrian Center where campers learn horseback riding skills and horse care. The Center includes a state-of-the-art stables, an indoor air-conditioned classroom, and an 80'x160' indoor riding arena with an observation area. Mary Morgan Lodge, a 12,000 square-foot multi-level, air-conditioned dining hall, trading post and program center, is the point where all campers gather for meals.

Camp Tapawingo also features an in-ground pool, adventure course, ropes course, archery, canoeing, and miles of hiking trails. Campers utilize three main rustic living units - Setting Sun, Shining Star, and Spirit Cabins. All units have indoor bathrooms and running water.

GSCI camps are proud to be accredited by the American Camp Association (ACA) and meet high standards for program design and activities, site and food service, transportation, health and wellness, operation management, and human resources. ACA accreditation means that the camp you are considering undergoes a thorough annual review of its operation—from staff qualifications and training to emergency management.

GSCI is accredited by the Certified Horsemanship Association (CHA). Accreditation means that GSCI voluntarily requests CHA to review our equestrian facilities, program, and management to deem it as meeting CHA standards. The purpose of CHA is to promote excellence in safety and education for the benefit of the entire horse industry.

Meet Your Camp Staff

Sara “Squatch” Tate

Director of Program Events & Camp

309-214-1375 | state@girlscouts-gsci.org

Squatch can't wait to roam around to each of our three camps this summer to visit with new and seasoned campers! Camp is a truly magical place that provides a place for everyone to feel connected with nature and their fellow Girl Scouts. She always looks forward to campers sharing their fun camp moments with her and to hear camp songs being sung throughout camp once again. Squatch also can't wait to hear that southern accent that the campers magical pick up at some of our camps. She can't wait to see y'all real soon!

Kelsey “Cupcake” Parker

Camp Kiwanis Director

217-273-4287 | kparker@girlscouts-gsci.org

Cupcake will be overseeing her second year at Camp Kiwanis, with a focus on fostering an inclusive and sustainable camp environment. What she cherishes most is witnessing campers try new things and excel, embodying the spirit of discovery and joy that makes Camp Kiwanis a special place for adventure and personal growth. With that, she's committed to introducing exciting, new activities. Come try something different this summer!

Serena “Broadway” Selinfreund

Camp Widjiwagan Director

815-780-7139 | sselinfreund@girlscouts-gsci.org

Broadway has lived for camp since she was a Daisy. With 9 years of camp under her belt, she lives 10 months for 2. From the coast of Maine to the deserts of New Mexico, she jumps into camp wherever she can find it. She loves the waterfront and has a passion for showing campers how they can be independent on land and off. “I truly believe I am the person I am today because of camp. It teaches you what you need to learn to love yourself, others, and the planet we live on.” Her favorite part of camp is watching campers come back year after year and grow from brave young campers to confident young adults.

Meet Your Camp Staff

Sarah "Freckles" Roberts

Camp Tapawingo Director

217-299-0108 | sroberts@girlscouts-gsci.org

Freckles is excited to return to Tapawingo for her 9th summer working at camp! This will be her second summer as Tapawingo's Camp Director. This summer she hopes to keep the loved camp traditions that makes camp magic come alive and that camp brings many new experiences to help girls build courage, confidence, and character. Her favorite camp activities are archery, hiking, and high ropes course. She hopes you find your new favorite activity at camp this summer!

Jessica "Hoops" Groszek

Camp Tapawingo Equestrian Manager

217-720-2101 | jgroszek@girlscouts-gsci.org

Hoops is excited for her eighth summer at Camp Tapawingo! As the Equestrian Manager she has learned that horses are some of the most amazing teachers for youth. They teach responsibility, build confidence, and bring out compassion; getting our youth one step closer to being the best future leaders. "The most rewarding part of what we do is watching campers overcome their fears. The moment a camper realizes they can control a 1,000+ pound animal, you get to witness pure joy on their face and a smile from ear to ear. Nothing beats that feeling!" Hoops can't wait for you to come to the barn and meet our wonderful horses.

Janet "Flower" Ozuna

Tapawingo Equestrian Program Specialist

309-229-1433 | jozuna@girlscouts-gsci.org

Flower has been a volunteer and facilitator for the Camp Tapawingo Equestrian Center since 2015 when she donated her mare "Beauty" to the Program. She worked as a Summer Camp Horse Counselor in 2022 and 2023, taking on the full-time position of Specialist in the fall of 2023. For as long as she can remember, Flower has had a love for horses. She has owned and worked with horses for over 40 years and enjoys nothing more than sharing her knowledge and passion for these amazing animals with campers.

Camper Readiness Quiz

Take this quiz with a parent or caregiver to help you both decide what kind of outdoor experience is your best fit this summer! Keep track of your points using the scale, then add up the points and compare your score to our recommendations. Be honest, there are no right or wrong answers! We just want to make sure you have the best camp experience possible, starting with getting you to the right camp! Also, be aware that this is just a recommendation. You and your family know you and your comfort level best.

Point Scale

1 = Not yet
2 = Maybe
3 = You bet!

1. Can you stay overnight at a friend's house without missing your family or feeling lonely or sad?

First Time
Campers!

Camp Eclipse

Monday, June 24 - Friday, June 28

Start the week with day camp and end the week with overnight camp. This session is ideal for first-time or inexperienced overnight campers. Make lifelong friends and enjoy boating, swimming, songs and games. Create some late night campfire treats and your own trail mix for a hike. Pack your sleeping bag and swimsuit, we'll meet you at camp!

On Monday and Tuesday, campers can be dropped off between 7:30-9am and picked up between 4-5:30pm.

On Wednesday, campers can be dropped off to stay overnight and picked up on Friday. Campers will be split into age-level groups and sleep in platform tents or cabins.

Pink Pals

Sunday, June 30 - Tuesday, July 2

Spend three days in a world of pink! Try some pink tie-dyeing and put on your pink PJs for the pink slumber party, where you'll decorate pink cupcakes, bead some pink jewelry, and play silly games with pink balloons. There will also be plenty of time for swimming, campfires, and s'mores, but don't be surprised if the s'mores are pink, too!

Broadway Blast

Sunday, June 9 - Friday, June 14

Do you have dreams of becoming the next big actress, theater techie or a dancer on Broadway? See what it takes to make it big under the bright lights as you play improv games, make costumes, and try on stage makeup. Whether you prefer to take the spotlight or ensure the show will go on from backstage, you'll work together to write and perform a one-of-a-kind production for the whole camp.

Creature Quest

Sunday, June 9 - Friday, June 14

Learn all about animals during camp this week. Make an animal-themed trail mix to snack on while hiking trails and looking for animal tracks. Pull on some boots for a pond study to search for frogs, turtles, and fish. Head to the barn to learn about horses and while you're there meet some of our feathered friends. Plan a creature-filled slumber party in the lodge; and make your own stuffed animal. We will also go on an adventure to **Wildlife Prairie Park** to explore and see what animals we can spot. When you're done monkeying around, jump into the pool for a swim, try out archery and stay up late making campfire treats.

Trailblazers

Sunday, June 16 - Friday, June 21

Develop backpacking and survival skills this week. Sleep in the comfort of a platform tent your first night at camp; then pack gear and food for the week and explore the far reaches of camp at Big Sky and beyond. You'll practice putting up tents, cooking meals over a fire, and finding your way with a map and compass. Bond with your counselors and fellow campers as you play team building games and explore camp at night. Return in time for an amazing dinner, closing campfire, and the tradition of Trail Spa Night in the lodge.

*Please note: Due to the extreme nature of this program, participants must have attended **overnight camp** at least once prior to this session, or have camp director approval. Personal outdoor equipment (mess kit, backpacking pack, sleeping bag and pad, etc.) is **highly encouraged**. The camp has a limited supply of the outdoor equipment if needed. Weather conditions and skill level of the campers will affect the level of extreme that is possible, so come ready for anything!*

Major Messiness

Sunday, July 7 - Friday, July 12

Ingredients:

- 16 Cadette campers
- 2 cabins
- 2 camp counselors
- 8 cans of shaving cream
- 2-4 days of mud, leaves, and sticks
- 1 jar of paint in every color, with glitter
- 6 days of old clothes
- 1 dozen eggs
- 4 cans of alphabet soup
- A little bit of soap

Mix together campers, cabins, and counselors at Camp Tapawingo. Add in remaining ingredients as desired and combine with crazy ideas, silly games, and late-night snacks. Guaranteed to result in a major mess!

Treasures and Trails

Sunday, July 21 - Friday, July 26

Oh no! Your ship has wrecked and the closest land is the deserted Tapawingo Island. Spend the week trying to survive! Gather your bravery to attempt the challenging 20ft and 40ft high ropes course to make it off the wreckage of your boat. Do a tip test in a canoe in an attempt to leave the island. Search the trails of Tapawingo looking for food to cook over a fire. Build a shelter to sleep in for a night from the few supplies you grabbed from the sinking ship and what you find on the island. Finish the week by searching for treasure that's rumored to be buried deep in the woods on the Island of Tapawingo.

Camp Tapawingo Equestrian Overnight Camps

Please read the skill level descriptions below thoroughly before registering your camper for an equestrian summer camp. It is important for the safety and satisfaction of all campers, staff, and the horses that campers are in a program that is appropriate to their skill level. Please note that it is better to sign up for a level too low than a level too high as campers will not be permitted to ride above their abilities. This ensures campers, staff, and horses stay safe and have an enjoyable experience.

Beginner

A beginner equestrian camp is designed so that staff are more “hands on” with campers on horseback. We always strongly encourage campers to ride independently so long as they are comfortable and it is safe to do so. However, if the camper needs to be assisted while on their horse; for the safety of all participants (riders, staff, horses), then the proper support will be provided. Generally speaking, this equates to campers that have never been to equestrian summer camp or have been to at least one or an equivalent.

All attendees receive a horse camp fun patch!

Intermediate

An intermediate summer camp is designed to further the camper's independence from the staff. We encourage campers to ride with as little assistance as possible, while still under the close supervision of staff. If the camper requires aid, we can help as long as is needed, and then back away to allow for the camper to continue to ride unassisted and gain confidence. Generally speaking, this equates to campers that have been to 2 or 3 equestrian summer camps or an equivalent.

Advanced

An advanced equestrian summer camp is designed to help a camper gain full independence. The camper is furthering their riding skills and knowledge of horses through minimal assistance. Under careful supervision, campers will have full and complete independence from staff while working with and around our horses. Generally speaking, this equates to campers that have been to 4 or more equestrian summer camps or an equivalent.

All campers in horse programs will be split into groups based on riding skill. Campers will ride 2-4 times during the week. Excessively hot weather, rain and skill set of the group can affect the amount of ride time. Campers will receive a very well-rounded experience at the barn, including learning proper grooming and the basics of horse, equipment and stable care. Boots and helmets are provided for riding, and campers who wish to bring their own must check with the Equestrian Manager to ensure equipment meets safety standards.

Equestrian Mini Overnight Camps

Minis n' Me ★

Sunday, June 30 - Tuesday, July 2

Come meet the miniature herd we have at Camp Tapawingo, which includes horses, donkeys, and even a mule, during this three-day mini overnight camp! You will learn what exactly makes miniatures so special. Once you've learned all there is to know about minis, it's time to saddle up and ride our regular sized horses and ponies. After your time at the barn is up, enjoy camp songs, games, and swimming.

Juniors will earn their Horseback Riding Badge.

Ponypalooza ★

Sunday, June 30 - Tuesday, July 2

It's party time...pony style! Let's celebrate our equine friends with some pony pampering. Learn how to properly groom a horse which not only makes them look good, but helps them feel good, too. Let's continue to make our horses feel special as we learn how to make horse safe treats. Round out the pony party, by playing games on horseback. The party doesn't have to stop at the barn. Spend some time splashing around at the pool before staying up late dancing the night away at a colorful dance party!

Juniors will earn their Horseback Riding Badge.

Tack n' Trail ★

Sunday, June 9 - Friday, June 14

Think you're ready to hit the trails on horseback? First, learn about the importance of emergency dismounts and leg ups as a few hours each day at the barn will be spent with your two and four legged friends mastering the basics in trail safety and the fun of trail riding. When you are out on the trails, keep an eye out for some of the wildlife that calls Tapawingo their home. You're bound to see something! Don't worry, there will be plenty of time to splash in the pool, make new camp friends and even hike around camp on foot. It'll be "trail-tastic"! *Juniors will earn their Horseback Riding Badge.*

Paddle n' Saddle ★ ★★

Sunday, June 16 - Friday, June 21

You don't have to choose between boating and horseback riding — you can do both! Take to the water in your canoe, learning a variety of paddle strokes at Camp Tapawingo, then pack up to spend a night at Camp Widjiwagan to paddle around Lake Springfield. When you're not out on the water, time to saddle up! You'll also get a chance to spend 3 afternoons at the barn. Learn to groom, tack up, and go for a ride. After you're done with your paddle and saddle for the day, jump into the pool and cool off with your friends. Now that's the best of both worlds! *Juniors will earn their Horseback Riding Badge.*

Saddle Switch Up ★ ★★

Sunday, June 9 - Friday, June 14

Interested to find out what type of saddle you might prefer? Experience a week of riding in which half your time is spent in a Western saddle while the other half is spent in an English one. Discover all the differences and uses of English tack versus Western, and some of the riding disciplines you might do in each saddle. Once your boots are off for the day, enjoy some traditional camp activities as you splash around the pool, cook out around the campfire, and learn new camp songs.

Camper should at least be comfortable at a walk without assistance. Trot experience is also preferred.

Boots n' Bows ★ ★★

Sunday, June 16 - Friday, June 21

Split your time this week between some of the best spots at camp! At the barn, ride in the arena learning basic horsemanship skills and safety. At the archery range, learn terminology, good form, and work to perfect your shot! Whether there's a bow in your hand or boots on your feet, you'll spend time learning the ins and outs of becoming an archer and gaining confidence in the saddle. Don't worry, there will be plenty of time to hang out at the pool, relax around the campfire, and make friendship bracelets.

Juniors will earn their Horseback Riding Badge.

Sea Horses ★

Sunday, June 23 - Friday, June 28

Not sure if you'd rather spend your time at camp swimming like a sea horse or riding on horseback? How about both!? Each day at the barn learn the basics of horse care while you groom, tack up and ride with your camp friends. You'll even get to make your very own pool noodle sea horse to take home! Horses can't go in our pool, but we can bring the water fun to them. Help one of our horses beat the heat by giving it a bath. Once you're done pampering your horsey friends, it's your turn to cool off by splashing around in the pool. When your time at the barn is over for the day, enjoy learning camp songs and games, making crafts with friends, and campfires.

Juniors will earn their Horseback Riding Badge.

Level 3: Yearling ★★ (Progressive Equestrian Camp)

Sunday, June 23 - Friday, June 28

Spend some time reviewing what was covered in Level 2: Weanling before unlocking the secrets of exceptional horse care and deepen your bond with your equine friend. As you learn about emergency first aid, costs associated with horse ownership, and the importance of a positive partnership to ensure a safe riding experience, your connection with horses will continue to grow, as will your skills. Upon completion of this program, make sure to come back again next year for Level 4: Filly to further your equestrian knowledge. There will be lots of time for other traditional camp activities as well while you are here.

Prerequisite: Completion of Level 2: Weanling or approval from the Equestrian Manager.

This is part of the Progressive Equestrian Camp program, allowing campers to hone in on various skills and responsibilities year after year while sticking with riders that are similar in riding knowledge and experience.

Hoofin' It ★ ★★

Sunday, July 7 - Friday, July 12

In the horse industry, the term "no hoof, no horse" is something all equestrians should be familiar with. If you've never heard this saying before, here's your chance to learn all about it. You're invited to spend time at the barn learning about the importance of hoof care. By the time the week is finished you will know how often a horse needs its feet trimmed, who trims a horse's hooves (with a special visit by that individual), and what happens if you weren't to take care of their feet. You can be sure that time will also be spent in the saddle, riding and having fun. When you're not at the barn with the horses, cool off at the pool, get cozy around a campfire, and enjoy many other camp activities.

Trail Masters ★★★

Sunday, July 7 - Friday, July 12

Are you ready to take your trail riding adventures up a notch!? Explore the trails running throughout Camp Tapawingo's 640 acres of woods and wide open fields via horseback for a bit each day...doesn't get much better than that! Assess trail situations, master obstacles out on the trail, and even go for a mounted scavenger hunt in the woods. After you've untacked for the day, kick off your boots and try to become a master of some of the other activities that camp has to offer such as swimming, archery, canoeing, hiking, and cookouts.

Camper is required to have attended a previous trail riding equestrian summer camp or has been on multiple (3-5+) trail rides before.

Ropes n' Reins ★★ ★★

Sunday, July 14 - Friday, July 19

Jump in for a week of excitement with some camper favorites—horses and heights! Improve your riding skills on horseback as you use your reins to guide your horse through challenging arena games and obstacle courses. After spending some time at the barn, hang up your reins and head to the ropes course. Navigate your way through the Spaghetti Walk, Cargo Tube, Earthquake, and the Hourglass obstacles while suspended 20ft in the air. When you make your way back down to the ground spend some time with your new friends working through team building challenges on the low ropes course. And in case you were wondering, there will be lots of time to relax around the pool!

Camper is required to have previously attended equestrian camp and should be comfortable with heights.

Wild West ★

Sunday, July 21 - Friday, July 26

Yee-haw! Welcome to the Wild West. Put on your boots and barn hat as you look toward the horizon for some awesome Western-themed activities and crafts. You'll even have a chance to practice roping a mock steer. Once you've hung up your hat for the day, it's time for some more fun. Head down to the creek to pan for some "gold." There will also be plenty of time for swimming, singing, s'mores, and good ol' storytelling and skits around the campfire. So saddle up for a week in the West that you soon won't forget! *Juniors will earn their Horseback Riding Badge.*

Trail Mates ★★

Sunday, July 21 - Friday, July 26

Get ready to hit Tapawingo's trails! Spend some time in the arena brushing up on your riding skills before heading out into the woods on horseback. Have fun with your camp friends and favorite four-legged riding partners as you spend a few hours each day at the barn and on the trails. Dive into trail riding safety, emergency dismounts, and leg ups. Enjoy your time spent in the woods and be on the lookout for deer, turkey, and other wildlife as you might get lucky enough to spot some on your trail ride. Of course there will also be plenty of time for swimming, campfires, and archery.

Camper is required to have attended a previous trail riding equestrian summer camp or has been on multiple (3-5+) trail rides before.
