

Keep painting the world purple, Girl Scout!

You learned the five steps to being a Purple Person. It's a ton of fun, right? Keep the fun going this summer with these activities and earn patches along the way.

Tree Promise National Service Project

Girl Scouts across the country are working *super-duper hard* to plant 5 million trees in five years. Get involved with your whole family!

Girl Scouts Love the Outdoors Challenge

Try a new skill by taking the Outdoors Challenge and be sure to ask *really great* questions along the way! There are 50 activities to choose from.

Girl Scouts Love State Parks

Looking for a place to laugh *a lot* with your friends and family? Have fun exploring a local state park during this annual event.
