Welcome back, Girl Scouts, leaders and parents to the 2020-2021 Adventure Guide!

Thank you all for riding out the world-wide pandemic in true Girl Scout fashion and helping us break barriers once again by finding new ways of work that, in the end, introduced us to alternative program delivery models and kept us all connected throughout COVID-19!

This "new normal" has created opportunities galore to add to our programming arsenal, and we hope you will enjoy the variety of newly created virtual programs, but one thing we won’t lose sight of is Girl Scouts sisterhood!

Attending programs with your family, friends, and troops provides another level of comradery building that you simply can’t find in any other youth-serving organization. But let’s not leave out the FUN. These programs are great learning experiences, yes, but more importantly they help complete the Girl Scout experience by providing educational and fun opportunities that girls simply might not get otherwise.

I invite you to experience Girl Scouting via one of our many horse programs or attend an overnight experience with friends and family to experience the great outdoors Girl Scout style. We have programs of interest to the scientist in each of us or the banker, the model or the athlete. Whether you are a traveler or prefer to stay closer to home, Girl Scout programs can open doors previously not visible to many young girls. Register, come see for yourself all of the wonderful things Girl Scouts has to offer.

We can’t wait to help grow each young Girl Scout into a young lady of courage, confidence and character who truly will make the world a better place! Let us help show her how. Join us and enjoy.

Pam Kovacevich

Hello from the CEO

Girl Scouts is the place for every girl. And it always will be.

Girl Scout Law
I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

Girl Scout Promise
On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Our Mission

It is no secret that Girl Scout founder Juliette Gordon Low loved nature and the great outdoors. And over the past 100 years, many Girl Scouts tell us “camping trips” are one of the best things about their Girl Scout experience. Studies show that girls today are not spending nearly enough time outdoors. Technology and structured activities leave less time for girls to get outside and enjoy nature. But, troops can still get outdoors at our Girl Scout properties.

The hyperlinks on our website will take you to reservation site, where you will find more pictures of the campgrounds, costs, capacities, and amenities. Outdoors Progression

Progression allows girls to learn the skills they need to become competent in the outdoors, including safety plan and organize outdoor activities. A girl gains a proficiency of an outdoor skill and invites her to challenge her further by taking that next step-up and challenging her to be endless when girls lead.

Virtual Troop Meetings
If your group or troop can’t meet in person or hold a traditional meeting, there are so many ways to bring the power of Girl Scouting home! Meeting virtually can be a fun, engaging option for your troop. We are available to provide one-on-one training on how to hold Zoom meetings.

Contact customercare@girlscouts-gsci.org to set up a training!

Before setting up a virtual meeting, you’ll want to:
• Partner with troop families to make sure the girls are safe online.
• Select a meeting platform that allows families who may not have internet access to call in.
• Think about logistics: work with the girls to set up ground rules; consider how you’ll incorporate in-person meeting traditions in your virtual space and how you’ll keep the meeting on track.
• Talk with families on how to keep activities girl-led if your girls will be completing them from home.

And don’t worry if your girls want to use a web or social platform you’re not as familiar with, because you’ll learn alongside them! You’ll also find lots of inspiring badge activities and tips on Girl Scouts at Home: GirlScouts.org/en/girl-scouts-at-home.html.

The Bridge
You asked and we delivered! This fall, GSCI will launch The Bridge, the newest resource for leaders. Check it out at gscibridge.org!

2021 Cookies: February 5 - March 21
The Girl Scout Cookie Program is the largest girl-led business in the country and generates immeasurable benefits for girls, our council and communities throughout central Illinois. Many successful businesswomen today say they got their start selling Girl Scout Cookies!

The Girl Scout Cookie Program is a great way to fund troop service projects and troop activities. Girl Scouts will learn valuable life skills: Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics as they work together to reach team and individual goals. Girls will earn cookie dough that can be used to buy a new uniform or books, attend events or camps, or spend in the Trefoil Boutique and Trading Post.

Fall Products
Fund your troop activities at the beginning of the year.

Operation Cookie Share and Adopt-a-Soldier Programs
Operation Cookie Share and the Fall Product Adopt-a-Soldier programs were started in 2001 as a give-back program to our military women and men at home and abroad. Girl Scouts ask their customers if they would like to contribute a box of cookies or donate to our military men and women. These programs demonstrate the power and hearts of our Girl Scouts and our community.

To date the program has provided over 1.5 million dollars' worth of cookies, fall products, and magazines to our heroes.

Cookie Pins
The Cookie Entrepreneur Family pin collection, the latest addition to the Girl Scout Cookie Program, enables girls to learn essential business skills and how to think like entrepreneurs with support from their families.

Each Girl Scout level has its own set of requirements to help families guide their Girl Scout as she runs her own cookie business year after year. Girls can earn all 13 pins in the collection—one unique pin for every year they participate!

Learn more about the pin collection at girlscouts.org/entrepreneurfamily.

Gold Awards

**Highest Girl Scout Awards**

**Bronze. Silver. Gold.** These represent the highest honors Girl Scouts can earn as Juniors, Cadettes, Seniors, and Ambassadors. All three awards give girls the chance to do big things while working on an issue that’s captured their interest in a big way. Whether they want to plant a community garden at school and inspire others to eat healthy for the Bronze, advocate for animal rights for the Silver, or build a career network that encourages girls to become scientists and engineers for the Gold, they’ll inspire others (and themselves).

The first step for a girl interested in earning her highest award is participating in an Award Chat. Award Chats will discuss the guidelines for earning the Bronze, Silver, and Gold Awards. The chats will be hosted as a go-to meeting, which will consist of a PowerPoint training that outlines the guidelines, paperwork and deadlines. It will also include a question-and-answer opportunity, so troop leaders, parents and girls will feel more confident in their journey towards these awards.

This year, the Award Chats will be offered as a Monday night option or a Thursday lunch and learn. The chats will be 30 minutes long. To register for AWARDS CHATS, visit GETYOURGIRLPOWER.ORG and click on EVENTS. Deadline to register is the week before each chat. Contact Jessica Foster with any award questions at jfoster@girlscouts-gsci.org.

**Heidi’s project addressed the issue of children not having a hands-on classroom. Teachers told her that school children couldn’t see the actual plant cycle because there was no time in the school day. Therefore, she made a butterfly garden outside of the grade school in the community and made educational binders for each of the plants and for the butterfly cycle. This will give teachers an additional learning tool for the importance of plants.**

**Oliveia’s project focused on the importance of protecting native wildlife.**

By creating a rain garden, Oliveia not only taught students about the importance of protecting native wildlife but also helped create a hands-on learning experience for them. She created an educational technology class that included a hands-on learning experience for students, which helped them develop an understanding of the importance of protecting native wildlife. Oliveia’s project was a great example of how Girl Scouts can make a positive impact in their communities.

World Thinking Day
February 22
On February 22 of each year, Girl Scouts and Girl Guides from 146 countries celebrate World Thinking Day (WTD)—that’s one BIG celebration! World Thinking Day is not only a great opportunity to rally the global sisterhood around a particular theme—it’s also a chance to support girls as they travel internationally, connect with sister Girl Guides, and take action globally.

Girl Scout Week
March 7 - 13
Celebrated each March, starting with Girl Scout Sunday and ending with Girl Scout Sabbath on a Saturday, it always includes Girl Scout Birthday March 12 birthday.

Girl Scout Birthday
March 12
Commemorates the day in 1912 when Juliette Gordon Low officially registered the organization’s first 18 girl members in Savannah, Georgia.

Girl Scout Sabbath
March 13
Besides reflecting on your beliefs and how they’re echoed in the Girl Scout Law, we urge you to take some time this Girl Scout Sabbath to learn something new about someone else’s faith.

Girl Scout Destinations

Do you love animals? Do you like adventure? Sydney and Jenna, Girl Scouts from central Illinois do! Sydney went on a Celtic Adventure and Jenna got to attend the Advanced Space Academy.

The Celtic Adventure: Ireland and Scotland destination was sure one to remember. I had the chance to meet several other Girl Scouts across the United States plus some scouts from Germany and Wales. Their culture wasn’t that much different than ours, but the scenery was. I visited in both Ireland and Scotland buildings that were older than the United States.

We visited Dublin, Belfast, Edinburgh, and the High-lands. All of these places are amazing and I would definitely go back. Some of the highlights we visited are the Titanic Museum, Edinburgh Castle, Stirling Castle, and Loch Ness. While we were in Belfast, we saw where the Titanic was built and launched from. Thank you for letting me have the chance to see these beautiful countries. On my destination trip, I met friends that I will stay in contact with and added another adventure to my Girl Scout journey.

The Girl Scout Leadership Experience is based on FOUR PROGRAM PILLARS. While she may be exposed to these subjects at school, in other youth programs, or even on her own, at Girl Scouts she’ll experience them in a unique way that puts her on a path to a lifetime of leadership, adventure, and success.
